

Found a Baby Squirrel?

How to Reunite with Mom

1. CHECK THE BABY

Healthy & Plump

Thin & Weak, Needs Help

If the baby is thin, cold, or approaching people, it needs assistance!

2. WARM THE BABY

Use a warm rice sock, hot water bottle, or hand warmers.

3. PLACE IN A BOX

Put the baby in a box near the tree.

4. PLAY SQUIRREL DISTRESS CALL

Use a distress call to attract mom!

Scan for Squirrel Sounds

5. STAY AWAY & WAIT

Watch from afar and give mom time to return.
